

# 2019 CROSS COUNTRY SPRING/FALL B/C SERIES RULES

## **SPRING / FALL SERIES**

- ✓ The District 36 B/C series is two separate series each year, the Spring Series and the Fall Series. Each series is separate with Championship B & C points and year-end awards for each series.

## **CLASS ADVANCEMENT**

- ✓ Advancement to the next higher skill classification in Cross Country will be considered by the Cross-Country Steward upon:
  - 1. Earning a minimum of 30 class awarded advancement points, and
  - 2. A minimum of 3 finishes within the top 20% of the riders' class overall finish, and
  - 3. The final advancement approval by the discipline steward
- ✓ If a rider earns enough advancement points during either series they may elect to finish the current series before advancing or, with Steward notification move up a class.
- ✓ If you overall the C or the B class you can elect to move up immediately with Steward notification and approval.
- ✓ All new racers will start in the C class. Riders coming to D36 from other AMA recognized racing organizations will be classified in their correlating classifications, once verified by the applicable discipline Steward(s).
- ✓ Under no circumstance can a rider self-advance without the Steward's permission. Any rider found riding out of class will forfeit any and all points and be returned to proper class.
- ✓ The Steward may move a rider at his/her discretion to put them in the proper classification.
- ✓ All advancement decisions will be adhered to.

## **WORK POINTS**

- ✓ Riders can earn work points towards the District 36 Class Championship by working one meet in each of the separate Spring and/or Fall Series per rule 7.6.3.

## **YEAR END AWARDS**

- ✓ To qualify for year-end awards a rider must compete in a minimum of 51% of the meets in the series. For example, a rider must complete 51% of the meets in the Spring Series to qualify for year-end awards in that series and also must complete 51% of the meets in the Fall Series to qualify for year-end awards for that series, but does not have to qualify in both series to win awards for one of the series. Earning work points at one meet qualifies as a "finish."
