### 6. Reason For The Proposal:

Looking for some help in proposing a Cross Country rule change that would facilitate A class participants by default would race in the "Main/Pro/AA Event" when the duration and or length of the "Main Event" is greater than other races. IE: C class event.

Have submitted multiple eMails to race promotors and not gaining any traction or responses.

The objective of asking for help to propose a rule change is to allow/ensure A class riders by default gain the benefits that other A class riders have. That being longer in length and or duration events.

Understand the intent or exception in rule 11.1.7, assume that being to "take it easy on the older riders..." however of the opinion this 11.1.7 rule of having A Masters to race with C classes

### 7. Exact Rule As Proposed:

FROM: 11.1.7 "A's" and "B's" will not race in the same race as the C class, except for "Masters", and exceptions with Stewards' approval.

TO: 11.1.7 "A's" and "B's" will not race in the same race as the C class, exceptions with Stewards' approval.

Will this rule violate AMA rules? Yes:  No:  If yes, which rule? \_\_\_\_\_
