Chaplain Fred

Hello District Friends and Family - Summer is here!

As we get involved participating in different types of summer recreation, I'd like you all to keep in mind that no matter what we are doing, we need to be good stewards of our public lands and waterways.

When we are careless and aren't acting responsibly, that provides the best ammunition, to be used against us, by those who want to prevent our access to public lands for outdoor recreation.

Please remember to practice the "pack it in, pack it out" and "tread lightly" methods of taking care of our public lands and waterways. Please do not ride or drive in areas that have been closed or are off limits. Please be mindful of the neighbors around you when you are camping, boating or traveling in the outdoors and to act respectfully towards them.

If Jesus was living in our modern world, how would He react to seeing so much garbage lying all over His Father's beautiful creations – like the mountains, meadows, streams and lakes? Would He be happy to hear someone else's loud music blaring, while He was trying to sleep out under the stars or full moon?

Also, please be mindful of the wildfire season that is now upon us. Take extra care when riding or driving near dry grasses, traveling off road, when shooting guns or when smoking outdoors. Be extra, extra careful with camp fires and make certain they are completely out before leaving the area. We certainly do not need to have another fire season like we had last year!

If the racing bug bites you this summer, instead of waiting until fall, why not try some track racing in a knobby class at the Lodi Cycle Bowl?

We will all have many adventures to share this fall – I can't wait to hear about yours! With me, I've recently returned from a short dual sport ride near Reno. We were heading to Loyalton from Boomtown – but, we didn't make it the whole way. I had a hard get-off when I hit something in the road, while going between 40-50 mph. I ended up with a mild concussion, some broken ribs and an injured shoulder. I'm home and recovering now and I can't wait to get back

on my bike again!

As always, I love you all and want you to know that God has a plan for you. Have a blessed summer and I'll see you at the races this fall!

Carnegie SVRA Under Threat! (again!)

Continued from page 1.....

In case you missed it on page 1......Now is the time to send a message and make your voice be heard. Begin by clicking the AMA link to <u>Take Action</u> and following the instructions.

But first read on and see how Senator Steve Glazer is spending your tax dollars (his salary) coddling to an elite few.

Senate Bill 767, which encourages the sale of the Carnegie expansion property, known as the Alameda-Tesla Expansion Area, has passed out of the final Senate committee and is now eligible for a vote on the floor. The land in question was purchased using funds from the Off Highway Vehicle Trust Fund, with agreement as to the future purpose of the land signed by adjacent landowners.

It is critical that riders and their supporters remind their representatives that the land in question was purchased using funds from the Off Highway Vehicle Trust Fund, with agreement as to the future purpose of the land signed by adjacent landowners. Subsequent to the purchase of the land, extensive work was undertaken to correct previous neglect and to bring the property up to the high environmental standards mandated by state law. Instead of recognizing this fact, the bill instead seeks to deny the OHV community a long overdue opportunity for increased motorized recreational opportunities.

Two years ago, the legislature widely supported and passed S.B. 249 (Allen, Chapter 459, Statutes of 2017), which created a series of environmental responsibilities including monitoring and review for all land overseen by State Parks and managed by the Off Highway Motorized Recreation Division. The environmental responsibilities in S.B. 249 go far beyond what any local county, city or nonprofit is mandated to do or can afford to provide.

Furthermore, this legislation would set a dangerous precedent by emboldening local landowners who object to the location of any state park, preserve or beach to push legislation to privatize that specific location. Passage of this legislation would support privatization of public land and hurt many Californians looking forward to enjoying experiences the Alameda-Tesla Expansion Area will have to offer upon completion.

State parks should remain for the benefit of all Californians, not just a select few.

AMA members, District 36 Members and indeed, all OHV recreationists must immediately contact their elected officials and remind them of the agreement that was made when the expansion properties were acquired. It is also important to remind them that the program uses no General Fund monies and is, in fact, based on a user-pay, user-benefit style model. Monies used to pay for the program include those taxes collected on fuel, SVRA entrance fees and vehicle registrations (green and red stickers).

The OHV community has long paid its own way and will continue to do so, as long as these monies are used for their intended purpose.

I don't know about anyone else but

Do You?

Please consider Donating to the District 36 ISDE support fund! 100% is distributed equally between all the D36 riders. It's an expense trip so please help if you can.

CERA Family (fun) Enduro

Being that I've been around slightly more years than CERA has been putting on events I still remember my first Enduro with them in 1980, a 100 mile national. OMG, as an aspiring MX rider with a small tank, no hand guards, and no time keeping equipment I soon had a new respect for "those woods guys". I was so worn out after that ride that I could barely climb into my van for the ride home, all the way trying to count up how many Moto's that would have been.

Fast forward 2019.... mv Granddaughter and I ventured to Georgetown for the latest CERA family Enduro. This would be her first ride on the 140 Kawasaki, and the updated carb that actually worked correctly.

It never ceases to amaze me how friendly and laid back these type of events are. Even the line at signup was mellow. Funny how as the years go by you gravitate to events that suit your new found experience, and physical level, aka old. So it Maddy waiting for Grandpa to go to the start. was like old home week seeing

all of my old buddy's who too have gravitated to a more mellow type of event. It was also a real eye opener for both Maddy and I that there was a lot of girls there. She felt like she really belonged on the trail with them.

So with a larger tank, hand-guards and still no timekeeping equipment, off Maddy and I go. I tried leading thinking all my experience and wisdom would help her see where to go.... boy was I wrong. She soon found out that she wanted to go where she wanted to go (imagine a girl wanting to do that) small

wheels and all, and she was right! Her style and wheel size demanded a different line. So there goes my last hope of being her hero... The first serious obstacle we encountered was a giant root across a gnarled uphill. I stopped to help Nikki Lulis who was helping kids over the root. She was so nice and patient with Maddy it was really cool to see girls helping girls.

We continued on being politely passed by faster

riders until we were all by ourselves in this vast wilderness. The trail was a tough trail, but Maddy was up to the challenge even the trail up out of rock creek was conquered by Maddy. It was so cool for her to actually pass a couple of folks stuck on that trail who gave us the "thumbs up" on the way out. The flume trail was full of water and provided a slippery challenge as the flume is right on a steep cliff. But on we pressed on. Finally we got to the finish tired and proud of our accomplishment. We really had a good time, we camped

out in the van (old school), cooked beans on a one burner camp stove and stayed to help work a check in the morning.

We really had a good time riding and helping. CERA is really a neat and experienced club. And yes some things never change I could barely climb into my van after the day was done. Thanks CERA for a great time, we'll be back.

Harvey Mushman.

Preparing to Ride An Enduro Fail To Prepare, Prepare to Fail

So you're thinking about riding an Enduro to see Track racing or even Cross Countries with the name Enduro taken from the term endurance. In track or Cross Country racing it's all about speed and never being far from the truck. You race for 5-10 laps on a short oval (Dirt Track) or for a designate amount of time, usually 1 ½ - 2 hours (Cross Country) and typically close to the start/finish, but with Enduros your travel far from your truck and spend 4-6 hours out on the course, hence "Endurance". You typically maintain a pace and, Oh yes, there are sections where no matter how fast you are you will fall behind. You will experience all different kinds of terrain and it's more common than not, to never see the same section twice (no laps). So if you want to ride an Enduro you must "Be Prepared'! continued next Page....

Preparing to Ride An EnduroContinued from Previous Page

Things you will need:

- A well maintained bike (Hint: do your maintenance at home and not in your camp the night before the Enduro).
- A current OHV sticker or license plate displayed on the bike.
- A muffler that doesn't exceed the max sound level (posted on the flyer), typically 96 dba
- A US Forest Service approved spark arrestor installed and working.
- A front number plate.
- A small set of tools for minor repairs, to include some duct tape, zip ties and bailing wire (for the old guys that even know what this is) and extra spark plugs.
- If you can fit it in, a strong nylon braded rope (for towing) and a small diameter gas hose (for syphoning gas).
- You will need to have enough fuel capacity to go at least 55 miles at race speed.

Typically you will need to stop for gas and your gas will be hauled out to a remote gas site by the hosting club. You will need to supply your own gas in a DOT approved

container and have it dropped off at the "gas trailer or truck" fairly early the morning of the Enduro, as it takes time to get the gas out to the gas area. To really help the clubs DO NOT send out a 5 gal gas can full. Depending on how much gas you burn (you may use 2 ½ Gals in 50 miles) please only send what you need. Most Enduros are less than 100 miles so the most you would need is 3 gallons and this would be for a real gas hog. What works best for ALL bikes is a 2 ½ gal can. The small can and gas amount really helps the clubs out so they're not transporting 750 gals out (5 gal per 150 riders) and then bringing back 375 gallons that was not needed. And please don't send out ice chest. If you want to send a lunch, pack a sandwich in a plastic bag and tie id to the handle of your small gas can. After you gas for the final time, help out by putting your gas can back on the trailer (clubs return all cans).

Editors Note: This article is all about being prepared and not riding to compete (knowing how to keep pace and track of where you are). Watch the next Newsletter on 'How to Ride an Enduro".

DIRT BIKE TRAIL CREWS KEY PARTNER IN POST WILDFIRE RECOVERY EFFORTS

by Don Amador

D36 riders have an important role to play in the ongoing post wildfire recovery efforts of three federal OHV areas devastated by the 2018 450,000+ acre Mendocino Complex Fire. There is a huge need for skilled dirt-bike based "strike teams" to perform important hazard mitigation tasks on the narrower 50-inch or single-track motorcycle trails.

While some BLM Field Offices, National Forests, and Ranger Districts have excellent trail crews or volunteers that can buck out downed trees or repair trail damage on routes used by larger OHVs such as SxSs or 4x4 vehicles, it appears that many units do not have the staff in-house with those advanced dirt-bike rider skills to deploy on narrow trail-based hazard mitigation projects.

As you know, intense wildfires can destroy important OHV management tools along narrow routes such as trail delineators and signs. Debris flows and downed trees can also

impact trail access and in many remote areas they are most effectively addressed by dirt-bike based post wildfire recovery trail crews or strike teams.

OHV recreation sites in California and the West will continue to face the likelihood of more intense wild-fires over the next 10-20 years. And, that creation of skilled agency and/or volunteer dirt-biked based strike teams will have an ever increasingly important role to play in delivery of timely and strategic post wildfire recovery efforts on narrow OHV trails that are largely inaccessible by larger vehicles. Look for opportunities to volunteer in OHV-based wildfire recovery efforts.

District 36 Enduro Report

We made it through the first part of the Enduro Series. Since the last newsletter we have had the Crazy Miner and the 49er Family Enduros and the Fools Gold Enduro.

The Crazy Miner Family Enduro put on by CERA is always one of the more technical Family Enduros and again was a 10 on the technical scale testing all the riders' skills. Lots of new riders showed up to try it out. Marc Demarco took the overall.

The next day CERA held the Fools Gold Enduro. The club did an excellent job of setting up a fun and challenging event for all riders. It was set up in a way that the C riders did not start dropping too many points till the challenging third loop. Kyle Boardman took the overall.

The 49er Family Enduro usually hosted by the PDMC was Hosted this Year by HMC. The PDMC let HMC use their event location and assisted them since they have not been able to hold an event since the fires last year. Thank You PDMC! The 49er FE is usually a bit easier than the Crazy Miner but was challenging enough to test the riders skills. This was the first timekeeping event scored by the new D36 Enduro scoring system. The riders liked the preprinted number plate and helmet stickers. I bet the check workers did also. Italo Ruggiero took the overall.

A little about the Enduro Scoring system that D36 set up. It is Moto-tally based and Ron Pate is the lead. He has worked hard this year to get it all set up and has done an excellent job. It was purchased with 100% donated funds thanks to Russell Brace (donations still being accepted).

There is hope for the fall part of the series since Cow Mountain has opened, so I am hoping Stonyford and Middle Creek are not far behind. If not some other plans are in the works. Just nothing finalized at this time.

Have a safe and Fun summer. JD

I do actually ride sometimes, If you believe it is me

Racing In District 36 Stuff To Know.....

Racing And Your Membership:

- Everyone coming through sign-ups must have their current AMA and D36 membership cards (or receipt less than 40 days old) in their possession. (see D36 rule 2.4)
- A rider with a current membership card (in their possession) from another AMA District may participate in a D36 race. However, in order to receive D36 advancement or series points, that rider must have a current D36 membership. (see D36 rule 2.4)
- Anyone who raced without a current membership card/receipt will be subject to having any advancement and/or series points removed.
- A rider with a current National Number (for the same type of racing discipline) with proof of such in their possession may also participate in a D36 race. However, in order to receive D36 advancement or series points, that rider must have a current D36 membership.
- ◆ Those who have former National Numbers do not qualify it must be a current National Number. (see D36 rule 2.4)

All receipts for AMA and District 36 Memberships are expired after 40 days from the date they were issued. If someone did not receive their membership card by the 30 day mark, they need to directly contact the AMA Membership office (AMA cards) or the D36 Membership Director (District cards). (https://ama-d36.org/contact-us for phone/email info.)

Racing And Your Racing Classification:

- Riders who are new to D36 racing will be placed in the C class.
- Riders must earn advancement to the next higher skill class. (see D36 rule 7.1.13)
- Riders must contact the Discipline Steward to inform him of any other AMA recognized racing organization's classification and they must provide that Steward with verification of the higher ranking. (see D36 rule 7.1.13)
- Riders will be advanced to the next higher class as soon as they earn the necessary points. (see D36 rule 7.1.7)
- Those who ride in the wrong class (different than what is on their D36 card, or was approved directly by the Discipline Steward) will lose any advancement and/or series points from having raced in that wrong class. (see D36 rule 7.1.9)
- Riders must contact the Discipline Steward regarding any classification questions or requests to be classified differently than what is on their D36 card. (see D36 rule 7.1.7 and 7.1.13)

For 2018, District 36 has partnered with the Rocky Mountain ATV/MC Race Gas program. This program enables you as a District 36 member to receive a free \$10 Rocky Mountain Race Gas Gift Card credit for EVERY meet you ride this year! This includes...

Cross Country ◆ Enduro ◆ Family Enduro ◆ Dirt Track

Dual Sport ◆ Special Events!

How it works...

To Join the program and receive your free Rocky Mountain ATVMC Race Gas Gift Card credit you must register with your name, address and email with District 36 (link below). If you have multiple racers in your family, sign them all up using the same email address so you can combine cards! By registering you give permission to District 36 to share this information with Rocky Mountain. Rocky Mountain will only use this information to email your free gift card Credit.

Once registered there is nothing more for you to do except go race, have fun and enjoy the savings your gift card credits will generate for you! Each time you enter a District 36 meet* your name will be submitted to RMATV/MC and you will be emailed a \$10 Gift Card Credit.

You are eligible for as many \$10 gift cards credits as meets you ride (only 1 gift card per meet regardless of the number of races you enter per meet)!

*A meet must have 50 riders to qualify for the Race Gas Program.

You will find a link to the current copy of the District 36 Operations Manual (AKA rulebook) on the District 36 website at: www.ama-d36.org

Have A Rule You Think Needs To Be Added Or Changed?

The District 36 Operations Manual is a rulebook covering District 36 Procedures and Competition. Procedural rules are decided on by the District 36 Board of Directors and rules governing Competition are decided on by the District 36 Active Members (Clubs and Promoters).

Do you, as a current member of District 36, have a rule proposal you want to get submitted? If so you will need to fill out a Rule Proposal Form and submit it to the appropriate steward.....CC rules to the CC steward Lance Doyle, Enduro Rules to the Enduro Steward John Davis, and Dirt Track Rules to the Dirt Track Steward, Carter Fisher. If your proposal is not discipline specific or applies to all disciplines you will submit your proposal to the Rules Chairman, Bill McGibbon and the Director of Competition, Jeff Irwin.

We have rules for Rule Proposals and it's recommended that if you're submitting a proposal you

review the current <u>District 36 Operations Manual</u>, section 1.6 Rulebook

The Rule Proposal form is editable (Download it first then you can fill it out on your computer and "save as") or print them and fill them out by hand. To submit your proposal:

- Submitter must be a current District 36 Member.
- Fill out a Rule Proposal / Change Form completely.
- Submit the proposal by one of the following:
 - ♦ Send the proposal electronically to the appropriate person. You will find a list of steward contacts on our <u>District 36 Contact Page</u>.
 - Hand it to a Steward at a meet.
 - ♦ Hand it in at a monthly D36 Meeting
 - ♦ Mail it to District 36 (see contact page)
 - * Rule Submission Deadline—Oct 15

Rules submitted and approved take effect the following year

"TREAD LIGHTLY" . . . "LEAVE NO TRACE"

Practicing outdoor ethics and good land ethics should be second nature to the OHV community by now . . . but, unfortunately, there are still thousands upon thousands of our comrades who violate (often intentionally) the simple practices that are necessary to help keep our trails and riding areas open for our use and for future generations to use. No matter who we are, the mentality of "I'm going to ride wherever I want, whenever I want" has been one of the primary causes for the loss of thousands of miles of recreation access for OHV users across the U.S.

Unpaved and primitive roads present special challenges even in good weather. Before you take off, think about another challenge . . . your responsibility to TREAD LIGHTLY and protect the environment you enjoy. Here are challenges to test your skills:

I PLEDGE TO TREAD LIGHTLY BY . . .

<u>Traveling</u> only where motorized vehicles are permitted.

 $\underline{\mathbf{R}}$ especting the rights of hikers, bikers, campers, skiers and other to enjoy their activities undisturbed.

<u>E</u>ducating myself by obtaining travel information and regulations from public agencies, complying with signs and other barriers, and asking the owners' permission to cross private property.

<u>A</u>voiding streams, lakeshores, meadows, muddy roads and trails, steep hillsides, wildlife and livestock.

<u>D</u>riving responsibly to protect the environment and preserve opportunities to enjoy my vehicle on wild lands.

Gas prices too high? We sell street bikes!

All D36 Members will receive 15% off all PARTS & ACCESSORIES. Not valid with any other discount, on service, bikes, generators, any motorized vehicle, OSET, KUBERG or tires.

D36 MEMBERSHIPS —— Joining Explained

District 36's Riding and Racing programs are operated by volunteers (we do not have a business office with staff). We do our best to answer all email communications and return telephone messages as promptly as possible, but sometimes it can take a few days for someone to get back to you.

JOIN AT A DISTRICT 36 EVENT

Fill out and pay for your application (checks payable to District 36 or cash only) at the event. The club/promoter hosting the event will forward your application & fees to District 36. With this method, you will receive a copy of your application. This is your receipt & proof of your D36 membership at other events until you receive your card in the mail. (This generally takes 14-21 days. If you haven't received your card at 30 days, please go to our website's contact page to notify our Membership Director, as this receipt for your membership expires in 40 days.)

JOIN DISTRICT 36 ONLINE

Once your online registration has been completed, you will need to print your emailed confirmation of the registration to take with you to any events you attend as proof of your District 36 membership, until you receive your membership card in the mail. (This generally takes 7-14 days. If you haven't received your card at 30 days, please go to our website's contact page to notify our Membership Director, as this receipt for your membership expires in 40 days.)

RETURNING MEMBERSHIPS

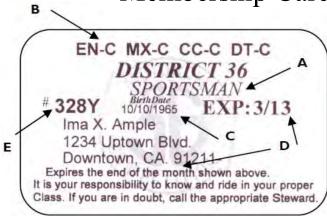

If you were a previous member, but that membership has been expired longer than one year, there is no guarantee that you will be reassigned the same membership number when your application is processed. (The only way to guarantee that you'll keep the same membership number is to keep your membership status current.) Membership numbers that have been expired beyond one year can get 'released' and they will become available for assignment to new members, or to other current members who follow the number change request procedure.

(<u>Cross Country racers</u> – membership application receipts, number plates and/or transponders are not 'proof' of what one's membership number is. Only a current D36 membership card is legitimate 'proof'.)

PLEASE NOTE:

- All new members will be assigned the next available membership number from the District 36 data base when their application gets processed. (*Please do not order custom number plates until after you've received your District 36 membership card*.)
- For new members or those renewing after a year of 'expired' membership status: Membership numbers cannot be assigned, held or promised in advance of the paid membership application being received/processed by the D36 Membership Director.
- District 36 Membership expiration dates are determined by the month of purchase. (E.g. Memberships purchased during the month of June expire the following May 31st and those purchased during the month of November expire the following October 31st.)
- You must have your current District 36 and AMA membership cards, or valid receipts, with you at sign-ups for every District 36 event that you enter. (See D36 rule section 2.)
- If anyone with a current D36 membership needs a replacement D36 membership card, the fee is \$5. The fee, along with the member's full name, mailing address and D36 membership number needs to be mailed in at least 10 USPS working days prior to the date you need the card back.
- Riding ability and racing ability are not the same thing. New members to District 36 will be placed in the C class. (Our Membership Director will not assign a classification other than C.) You must contact the appropriate Discipline Steward (the kind of racing you do) for any class reassignment. If you do so, please be prepared to supply proof of higher classification; such as a membership card from another District, AMA proof of the higher classification or documentation from another AMA recognized racing organization. (Otherwise, you will need to earn the required advancement points to achieve a higher classification.) Once the Membership Director is notified by the appropriate Steward, your classification will be changed. (See D36 rule section 7.1.)

Membership Card Questions and Answers

District 36 Membership cards often cause a bit of confusion to new members . . . and often to those who have been a D36 member for a number of years, too!

The card size was created to be close to the size of a credit card - something that can easily fit into a wallet. With this size, we are limited to the amount of information that can be printed on the front sides of the cards.

When applications are processed, the cards are created in accordance to AMA and D36 rules.

Below are some explanations that might help answer some questions about your membership card.

- A. <u>Membership Type.</u> Only three membership types can be on a blue D36 membership card. The 'Sportsman' designation is for all members age 12 and older, "Mini Bike Rider" is for those ages 7/8-11 and Pee-Wee is for those up to age 7/8. (Veteran, Senior, Super Senior, Master, Pioneer, Woman, AA, Open, 200, 250, Vintage, Modified, Big Wheel, Clutchless, etc. are only racing classes they are not a membership type.)
- B. <u>Racing Classification</u>. The racing class shown on all membership cards is what one's Sportsman (adult) classification is/would be. This is set by D36's rules and by the Discipline Stewards.
- C. <u>Birth Date.</u> A full birth date must be given on the application. If a full birth date is not provided, either 1/1/2050 will appear on the card or, in the case that just an age (38 for example) was provided, then a guestimated month/date will be listed with the corresponding year to indicate the age of 38.
- D. <u>The Expiration Date.</u> A D36 membership expires on the last day of the month/year listed on the card. D36 memberships are valid one year from the <u>month</u> of purchase. (Example: If someone buys their first membership in the month of June, the expiration date will be the last day of the following May.)
- E. <u>District 36 Membership Number.</u> New members will be assigned the next available number when their application is processed. A membership number/letter cannot be assigned prior to an application being received and processed. All youth and all C class adults receive three numbers, plus letter, as their membership number. Membership numbers cannot begin with a zero. When a membership has remained expired for longer than one year, that membership number may be 'released' and then get reassigned to someone else. There is no guarantee that the same number will be reassigned to someone who renews an inactive membership that was expired for

Where Is My Membership Card?

From the date you apply for or renew your D36 membership, if your card does not get back to you by the 30 day mark, please contact d36memberships@att.net.

Always read all of the instructions and fill out the application completely, so that your application can get processed timely. Always save your receipt. Always allow enough mailing/processing time to get the card back before you need it.

If Applications are: too sloppy to read; missing a full mailing address; missing your contact phone number and email address; missing the correct signature; or, if they have not yet been given to D36 from the clubs there may be a delay in receiving your membership card.
