2019 Awards Banquet

The dust is now settling from the District 36 2019 Awards Banquet where the champions of the 2019 Cross Country, Enduro and Dirt Track Seasons were honored for their accomplishments in the respective series that runs throughout the year.

History has proven over the years that many National Champions have come out of District 36 beginnings and there is little doubt that this group of winners will also produce some that will go on to become the stars of the future.

District 36 Congratulates all the winners.

You can see all the 2019 Champions on pages 7 thru 11

2019 YEAR END REVIEW AND WHAT'S COMING IN 2020

The checkered flag has flown on the 2019 racing season and looking back, I am proud of our accomplishments. I have learned so much as a first time District 36 President and have had a great mentor throughout this ride. I would like to graciously thank Jerry Fouts for sharing his insight and experience with me, he has been a valuable adviser throughout my first year in office. Competitive motorcycle racing is a complex and challenging sport with a range of obstacles. Similar to the challenges of racing, I've experienced my own set of hurdles this past year as the District 36 President. However, with Jerry on board, I was able to make a smooth transition taking the bars of District 36.

In 2019 we saw a change of guard in the LAO program where Dave Pickett led the way for quite some time, setting a great foundation for newly hired Don Amador. Don jumped in full force and has made some major leaps and bounds in protecting our rights as riders and the areas we have come to love.

With the combined efforts of the 2019 District 36 Board of Directors and members, our goals became a reality. We have accomplished more than what we set out to do!

Accomplishments of 2019

- . Transparency and open lines of communication.
- . Improved scoring system and streamlining sign-ups. (Still a work in progress I promise you.)
- . Social media coverage and presences of live events.
- . Donation of \$10,000.00 to Paradise fire victims.
- . BOD and officer presence at Dirt track events.
- . First riders' program with funding to encourage more youth participation.
- . AA Pro payout for end of year top three.
- . Improved communication with ridership through email survey.
- . 2019 Sanctioning with club and host agreement to have \$1,500.00 pay out per round.
- . GP series sanctioning and club agreements. Big thanks to Jeff Irwin, Brian Garrihan and Sean Rhodes for getting the logistics down. This will be a 5-round series.
- . \$2,000.00 series sponsor, Rod Lake Racing, for the 2020 dirt track series championship.

2020 Goals

- . Continued improvement on transparency.
- . Pro payout at end of year Awards banquet.
- . Improved medical and first responder system at races.
- . Automated standings and improved scoring system.
- . Onsite D36 number system to receive permanent number.
- . New digital card system that can be renewed from your phone and on the go.
- . Launching of D36 online apparel store to get your D36 Swag!
- . Improved social media coverage for rider recognition.
- . Three new Dirt Track Venues on the series.

In closing with 2020 already underway, I am more than happy to report, we are looking forward to cultivating more great things and improving on all aspects of racing for our members. None of these accomplishments would be possible without the backing of a great team of Officers, Board members and Committeemen standing behind me. Thank you for continuing to be an active member of District 36. We are always looking for great people to get involved, volunteers are an integral part of our organization. Together, as the District 36 family, we will continue to accomplish great things while promoting and protecting our sport for the future.

Chaplain Fred

Hello District Friends and Family!

By now, as you read this newsletter, we have started another new year. As I reflect on last year with all my motorcycle crashes and injuries, I am still a blessed man!

Christmas has come and gone, yet Christmas is the time when God became a human being in the person of Jesus Christ. Jesus came to show and make a way back to God, because our sins had separated us from our Holy God. Because Jesus took on human form as a man, He knows and fully understands our experiences and struggles. Because He is God, He has the power and authority to free us from sin and live out our lives pleasing to Him. With all the issues we face and decisions we have to make, we can look to Him for help.

Because God has blessed me so much and given me favor and friendship with so many of you in District 36, I pray to God every day that I will not do anything that would cause you to stumble or to doubt that God loves you and has a plan for your life.

I joined D36 in 1961 or 1962 and have seen many ups and downs of our district. When the leaders realized this sport wasn't just about the popular racers (those who won so many races), but that it was really about ALL of us – poor riders, fast riders, men, women, boys and girls – our district got better. When they set aside their personal wants and put the interest of what was best for ALL first, look what happened – we grew and prospered!

Our sport has grown so much, we now face other problems and challenges. I believe, as we continue to work together – to do what is best for ALL – then, God will continue to bless us. The Bible says God puts those in leadership the ones He wants and He takes those out that He wants. Remember, we are all called to be servants.

When I see all you parents with your kids, family members and you workers putting on an event – all working together – I am so thankful God has allowed me to be part of this 'whole' family. Let us keep the faith, love one another and stay the course.

Always remember, God loves you and so do I!

Can't wait to see you all at the races!

Have A Rule You Think Needs To Be Added Or Changed?

The District 36 Operations Manual is a rulebook covering District 36 Procedures and Competition. Procedural rules are decided on by the District 36 Board of Directors and rules governing Competition are decided on by the District 36 Active Members (Clubs and Promoters).

Do you, as a current member of District 36, have a rule proposal you want to get submitted? If so you will need to fill out a Rule Proposal Form and submit it to the appropriate steward.....CC rules to the CC steward Lance Doyle, Enduro Rules to the Enduro Steward John Davis, and Dirt Track Rules to the Dirt Track Steward, Carter Fisher. If your proposal is not discipline specific or applies to all disciplines you will submit your proposal to the Rules Chairman, Bill McGibbon and the Director of Competition, Jeff Irwin.

We have rules for Rule Pro-

posals and it's recommended that if you're submitting a proposal you review the current [District 36 Operations Manual](#), section 1.6 Rulebook

The Rule Proposal form is editable (Download it first then you can fill it out on your computer and "save as") or print them and fill them out by hand. To submit your proposal:

- Submitter must be a current District 36 Member.
- Fill out a [Rule Proposal / Change Form](#) completely.
- Submit the proposal by one of the following :
 - ◊ Send the proposal electronically to the appropriate person. You will find a list of steward contacts on our [District 36 Contact Page](#).
 - ◊ Hand it to a Steward at a meet.
 - ◊ Hand it in at a monthly D36 Meeting
 - ◊ Mail it to District 36 (see contact page)

*** Rule Submission Deadline—Oct 15**

Rules submitted and approved take effect the following year

Youth Cross Country Stewards Report

2019 AMA/D36 Youth Cross County season has come to an end and the final results are in. Jon Wolfson from Livermore Ca was the big winner by taking the Overall Championship in the "AA" big wheel class. Jon started the season off strong right from the beginning. It was a great season and action packed from start to finish with Talon Turlo and Italo Ruggio keeping the pressure on Jon, but Jon rode hard, fast and consistent and was able to hold them off for the Overall Championship.

Jon with his very proud parents and Al Fitch

Jon is the recipient of the "Ben Davis" award which is a huge honor and accomplishment. We congratulate Jon Wolfson and all of our youth riders on an outstanding year of racing as we celebrate all our racers' and especially Jon's accomplishments at the 2019 District 36 Awards Banquet held January 11th in Lodi.

CARNEGIE LAWSUIT DECISION - CHRISTMAS PRESENT FOR CARNEGIE RIDERS

STOCKTON, CA (Dec. 12) – On November 21, 2019, the Superior Court of the State of California, County of San Joaquin, Stockton Branch, rendered a jury verdict in favor of managed OHV recreation at the Carnegie State Vehicular Recreation Area (SVRA).

The jury's verdict found the California Department of Parks and Recreation Off-Highway Motor Vehicle Recreation Division's environmentally sound OHV program - for both casual trail use and permitted motorized events - at Carnegie SVRA did not substantially interfere with the Connolly Ranch's use or enjoyment of its land.

AMA District 36 (D36) believes the motorized community's ongoing support for sustainable trail practices at Carnegie SVRA which include a robust OHV exhaust sound compliance education, respect for private property, and cultural/natural resource protection programs were seen by the court as foundational evidence of our commitment and responsibility.

Don Amador, the Government Affairs Director of AMA D36, states, "I believe this court outcome recognized the strong commitment by the OHV Division and rider community to manage Carnegie and other SVRAs in a responsible manner by using state-of-the-art trail construction techniques, exhaust noise controls, soil erosion measures, wet weather travel management closures, law enforcement, land restoration, and user education programs."

AMA District 36 would like to thank the many people who have participated in the various State SVRA outreach and education days, including the countless hours that District clubs and officials including Jerry Fouts and Ed Santin have donated doing sound education and muffler rebuild clinics, and Chris Real from DPS Technical for providing his technical expertise on vehicular noise control.

"As riders celebrate this holiday season with their family and friends, they should take a minute to reflect on their partnership with State Parks to promote sustainable OHV recreation at Carnegie SVRA," Amador concludes.

Enduro Stewards Report

We have a full schedule for the Enduro series for 2020. It will be 8 rounds with a few different formats. The Family Enduro series will be 5 rounds. It will be nice to get back into the areas that the fires kept us out of as they were under recovery.

We will be using moto-tally as the primary scoring and standings system for 2020. It worked out very well for the clubs that used it during the 2019 season. We even had 2 events do same day results and awards. I have to thank Ron Pate for taking on the task of getting it set up to use plus training the clubs to use it. The system was purchased entirely by donated funds that Russell Brace collected in 2017 and 2018. Thanks to those that donated! Donations to keep it going are always welcome. The pre printed helmet and number plate stickers have been a hit and make it easy for check workers.

Nicole Luis Rachel Douglas

The Enduro page is www.moto-tally.com/D36/Enduro/
The Family Enduro page is www.moto-tally.com/D36/famE/

Pictured are two B Women Class riders that had just battled it out at the 49 Enduro , With Nicole on the minute ahead of Rachel we can see in the photo that Rachel is wearing a lot of Nicole's dust. But Rachel did persevere and won the class.

Like all D36 riders....fierce competitors on the course but close friends before and after.

Thanks for all your support as I go into year 12 as Your D 36 Enduro Steward. JD

District 36 Rule Changes / Additions for 2020

District 36 Rules that were changed/added for 2020:

A new section 11.9 was added for the new District 36 GP Series. It states in entirety:

11.9.1 D36 Grand Prix Series events will be run under the current AMA GP rules and District 36 supplemental rules. (See supplemental rules for D36 Class Structure) (New Dec 2019)

Following are existing rules that were revised for the 2020 season.

Below are the updated versions of the rules that were changed for the District 36 2020 Operations Manual

1.2 Active Members. All members of this type must be chartered by the American Motorcyclist Association as either a Club or a Promoter. Each Active member must pay a fifty (\$50.00) dollar Membership fee at or before the annual Sanction meeting. Active Members scheduled to promote a Cross Country Championship meet will pay an additional \$100 (\$150 total) that goes towards the Series promotion. Membership fees paid after the Sanction meeting will be \$50 more. Also, a \$150 deposit check will be collected at the Sanctioning meeting. This deposit, at the club/promoter's request, will be refunded or "rolled over" to the following year after the meet, provided all card and appropriate meet fees are paid on time. In the case of multi-meets clubs, only one \$150 deposit is required. It will be refunded or rolled over after all meets are held for the year.

Active members are entitled to send two (2) delegates to all meetings of the District 36 Motorcycle Sports Committee. Each delegate is entitled to (1) vote. Each delegate is entitled to represent only one Active Member for voting purposes.

(Rev. 1 Dec 2019)

1.5.6 Cross Country

A maximum of 14 Cross Country Championship meets for the season with no back to back meets under normal circumstances. Meet Host Agreement is required. Selection criteria based on the following: meet seniority, adult meets must have a youth event, clubs seniority over promoters, overall rider satisfaction, date of the meet, club/promoter D36 participation exceeding 100 hours annually, quality of meet/venue and club promoter in compliance with D36 Operations Manual.

(Rev 1 Dec 2019)

2.4 All entrants in District 36 competition events must have a current District 36 Membership Card and a current AMA Membership card. Exception: Riders from other recognized AMA Districts and holding a valid Membership card from that District, in the Discipline entered may not be required to buy a District 36 Membership Card. In any case a D36 card is required to accumulate points towards year end awards and/or advancement (see rule 7.3.8). All entrants must be familiar with the rules of the event entered and comply with all safety requirements. Rulebooks can be obtained from District Clubs or Officials. Active members (Clubs or Promoters) may be fined by the District, up to twenty-five dollars (\$25) per instance, for allowing a rider without a current Membership Card (or receipt) in his possession to participate in a sanctioned competition meet. (Rev. 1 Dec 2019)

5.8 AMBULANCE REQUIREMENTS

All D36 Cross Country meets must have a dedicated, stand-by Paramedic ambulance on premises at all times during a meet. If the club/promoter is unable to obtain a Paramedic ambulance, a dedicated EMT ambulance AND a fully-equipped and accredited "mobile" Paramedic (ie, Sidetrax) may be accepted with Steward approval PRIOR to the meet. In the event the ambulance leaves the premises, the meet must be stopped until the ambulance returns.
