### **RACE PROCEDURE:**

- All events will run a designated number of laps determined by the lap time of the race leader. The "AA, AA-2, AA Women, 2 Stroke A & B, 4 Stroke A & B and Junior 25+ A & B" classes will race a maximum of 60 minutes. All other classes will race a maximum of 45 minutes. All Youth Classes will race a minimum of 30 minutes, maximum of 45 minutes. Race lengths subject to change based on course conditions as dictated by the Referee.
- All D36 MX-Grand Prix tracks must be a minimum of three (3) miles long and contain a motocross/track section and natural terrain section. The motocross/ track section must be run in the direction it was designed to run.
- All D36 MX-Grand Prix tracks must be a minimum of 8 feet in width. The tracks shall be fast flowing and allow passing at any point on the track. Chicane, creeks, creek crossings or single track are not allowed as part of any D36 MX-Grand Prix track.
- Each wave will start at 10-30 second intervals. The "AA" classes will start in the first waves, followed by the remaining "A" classes. The remaining "B" classes will follow, then remaining "C" classes. Starts will be live engine. No straddling the front wheel. Additional non-Championship support classes must be run separate from all Championship classes and must be previously advertised.
- The checkered flag will be given to the overall leader when they have completed the designated number of laps (within the minimum and maximum race time) or the designated time has expired. Their exact time (to the nearest second) of finish will be recorded. All subsequent riders will be given the checkered flag and their exact finish times be recorded. In order to be considered a finisher, a rider must take the checkered flag and complete at least 50% of the laps of the winner of his/her class.
- In order to be eligible for Championship points, a rider must finish in the top 20 of his/her class.
- Riders must enter and exit pits at designated pit signs where applicable. Failing to do so will result in a maximum of 1 position penalty.

## START PROCEDURE:

- Starting procedures will be explained at Riders Meeting.
- Start will utilize a green flag.
- Riders, pit crew members, machines and equipment are not permitted on the starting line until authorized by the race official.
- Riders will line up on their assigned starting row when directed by the race official.
- All starts are live engine.
- A “10 Second” signal will be given before the green light is shown. At the “10 Seconds” signal, all crew members must clear the start area.

## PROGRAM:

1. At each event, all Championship classes must be run as listed in the Supplemental Regulations including class displacement. At the promoter’s option, additional support classes may be run. If support classes are offered, they must be run separate from the Championship program.
2. At each event an “Unclassified” race may be ran prior to the start of the days racing program. All riders over 12 years of age are eligible to enter the event and it will not count towards their total race count or towards Championship points.
