

District 36 Membership Number Changes:

Adult C class members and ALL Youth class members are only eligible for a three-digit D36 membership number. Sportsman B Class members are eligible for a three or a two-digit number and Sportsman A Class members are eligible for a three, two or a single digit number. (*D36 rule 2.5.*) All D36 membership numbers include a letter after the number.

To change your District 36 membership number, there is a \$10 fee for a three-digit (plus letter) number; a \$25 fee for a double digit (plus letter) number; and a \$50 fee for a single digit (plus letter) number. (*D36 rule 2.5.*)

For those who are about to be advanced to a higher classification, number change requests cannot be accepted until after the Discipline Steward has directly notified the Membership Director of the advancement.

D36 membership number change requests must be submitted in writing and accompanied by the appropriate payment for the number change – requests cannot be done by email, phone or online.

Checking for available numbers cannot be done before the appropriate fee and written request has been received. D36 Membership number change requests can only be processed by the D36 Membership Director.

Number change requests must include your complete name, mailing address, telephone number, current D36 membership number, current Classification (A, B or C) and a list of your first three choices of a new number. (Numbers only, not combinations of numbers plus specific letters.) There is no guarantee that a number you want will be available and there is no guarantee which letter will be available to put with a requested number.

Number change requests must be mailed to: **D36 Memberships, P.O. Box 2076, Rocklin, CA 95677.** Requests must be postmarked a minimum of 14-16 business days prior to the date you want to receive back the new D36 membership card.

Cross Country racers: You must check with your Cross Country Steward (adult or youth) and the Cross Country scoring team about when you will be able to use a new D36 membership number as your Cross Country racing number. Your transponder, number plates and helmet stickers will then need to be reissued/reprogrammed. (The numbers/letters on all three of your plates must be in compliance with the number plate rules in section six of the D36 Operations Manual.)

If your preferred numbers are not available, your request and payment will be returned. If the information submitted is not legible, it will be returned. Requests without the appropriate payment and/or requests for numbers that one is not eligible for will be returned unprocessed.

Thank you,

District 36 Memberships
Jill Patterson, Director
