Cross Country racers: B & C class series participants are encouraged to only change their D36 membership numbers between the spring/fall or between the fall/spring series. A class series participants are encouraged to only change their membership numbers between the yearly series. Your event results, season standings and advancement points will reflect the D36 membership number you began a series with – if you change it during the series, more than one membership number may get reflected and the automated standings that are on the D36 website get combined.

If your requested numbers are not available, your request and payment will be returned. If the information submitted is not complete or legible, it will be returned. Requests without the appropriate payment and/or requests for numbers that one is not eligible for will be returned unprocessed.
