Year End Championship Awards

Championship points for year-end awards will be awarded to the Youth classes, C Women, Diva classes, C Super Senior, C Master and Pioneer classes only. Eligible riders will be awarded championship points based on their class finish regardless of their entry in the competition or fun classification. Classes may be combined in the final standings for year-end award points at the discretion of the Youth/Family Enduro Steward. There are no advancement points in the Youth / Family Enduro Series.

Youth riders that also ride in the sportsman class in other disciplines can only enter in either the youth class or sportsman class but not both. If entered in the sportsman class, riders will not be awarded points for youth year-end awards. A youth rider that has attained A classification in the sportsman class is not eligible for youth year-end awards even if the rider enters in a youth class.

Riders in classes eligible for year-end awards will remain in the same class throughout the year based on the age of the rider in his/her first meet of the series.

Same Day Awards

Clubs/promoters may offer same day awards based on the preliminary results at the event. There will be seven day correction period after the event. If there are changes to the final results that impact the awards, the club/promoter will be responsible for mailing only those awards resulting from any correction to the riders impacted by the corrections.

Exceptions

Any deviations from, or exceptions to, the above rules and the Enduro rules under Enduro Meets, section 11.2, as they pertain to Youth/Family Enduros may be made at the discretion of the Youth Family Enduro Steward under extenuating circumstances
