CROSS COUNTRY MEETS 11.1.1 A Cross Country meet is run on a natural (unprepared) terrain. Meets include but are not limited to: Hare 'n Hound, Hare Scrambles, European Scrambles and Old School Grand Prix.

Hare 'n Hound: A race held on a marked course over natural terrain. The course may be laid out as a point-to-point event or run on at least two loops (with the majority of each loop used only once). Each loop must be at least 30 miles in length. In either case, the total distance covered must be at least 60 miles. (Rev 1 Dec 2018)

Hare Scrambles: A Hare Scrambles is conducted on a closed course, using trails and paths over natural terrain on a course of more than seven (7) miles in length and a total distance of more than thirty-five (35) miles. The same loop may be used two or more times.

European Scrambles: A European Scrambles is comprised of a closed loop of about 10 miles wherein you race around the course as many times as possible within the prescribed time.

Old School Grand Prix: A grand prix primarily is a known closed-course meet that includes both natural and graded or paved terrain of more than seven (7) miles in length and a total distance of more than thirty-five (35) miles and is normally run as a multi-lap race. Scoring is similar to hare scrambles.
